THE OUTLINE STORY

かつて地球上を襲った大災害“大沈没”。
それから数十年後…。大陸のほとんどが水没し、
海には野生化した機械生命体が泳ぎ回る変わり果てた世界で、人類は漸く復興を始めていた……。
孤島に暮らす天然少女・ワダツミは、ある日浜に打ち上げられた一人の少女と出会い、
“イザナギ”と呼ばれる謎の機械生命体を託される。
彼女の名はクレア。実は“龍宮”と呼ばれる超科学の秘密を握る重要人物なのであった。

一方、龍宮の秘密を狙う女海賊のフィアット一味が島に上陸。
ワダツミ達を相手に、御禁制の重火器まで持ち出して攻撃して来る！
しかし突如、ワダツミ達の地上での戦闘に反応した衛星兵器が暴走を始め、
レーザー攻撃により島は壊滅、クレアもまた海賊達に連れ去られてしまう。
怒りに火が付いたワダツミは、
単独で海賊達を追跡し見事クレアを救い出したのだった。

初めて友達となった二人の前に、今度は巨大エイ型戦艦に乗った少女・希須林が出現。
彼女もまたイザナギ・羅刹を身に付けた
“イザナギ遣い”と呼ばれる“龍宮特使隊”の一人であった。
挑発的な希須林の態度に戦いを挑んだワダツミだったが、
圧倒的な力の前に重傷を負ってしまう。
瀕死の状態にあったワダツミは、深層意識の中でイザナギ・臥龍と
“同位体化”を果たし“臥龍命”へと超進化！ 希須林に圧勝してしまう。

クレアの取りなしで仲間となった希須林、
そして戦艦に捕らえられていた老人達と合流したワダツミ達一行は、
上陸出来る島を探して旅を始めたのだった

That's the true earth, Wadatsumi!
It will be mighty nice if there are people there!
Hoeehh, Huge island, ahh!!
It is, isn't it?

.....
I wonder if it's here .....?

第7話 [Meeting]

What business do you have on this island!?

My name is Tuero.

HEY, YOU !!

WERE YOU TRYING TO KILL ME!?

.....

TUERO: "HMPH!"

WH... WHAT!? WHAT'S THAT "HMPH" JUST NOW-!?

Wait, wait!

Calm yerself, Wadatsumi!

WADATSUMI: "LEMME GO-!!"

It's been so long since we last met people from the outside world ever since the "Great Sinking".

We're but mere travellers.

To answer your question, Tuero.

OI, HEY! DON'T IGNORE ME!!

I'm returning to the village, you can come along if you want.

Can we meet with them?

Are there any other people besides you on this island?

.....

Hooh...!

WADATSUMI: "MUGU. "

WOO-MAAN !!

Yo, Tuero.

Huh? Who're those old men .?

What!? What the hell's these guys' problem ...?

Woah, she's stacked !!

From what I've heard, I need to offer my apologies for my sons' rudeness.

My, my, my! You did well to come to this island, travellers!

You should let her be, Clair.

Wadatsumi

Please don't concern yourself, village chief!

She'll get over it soon enough.

With this kinda stuff .....?

?"

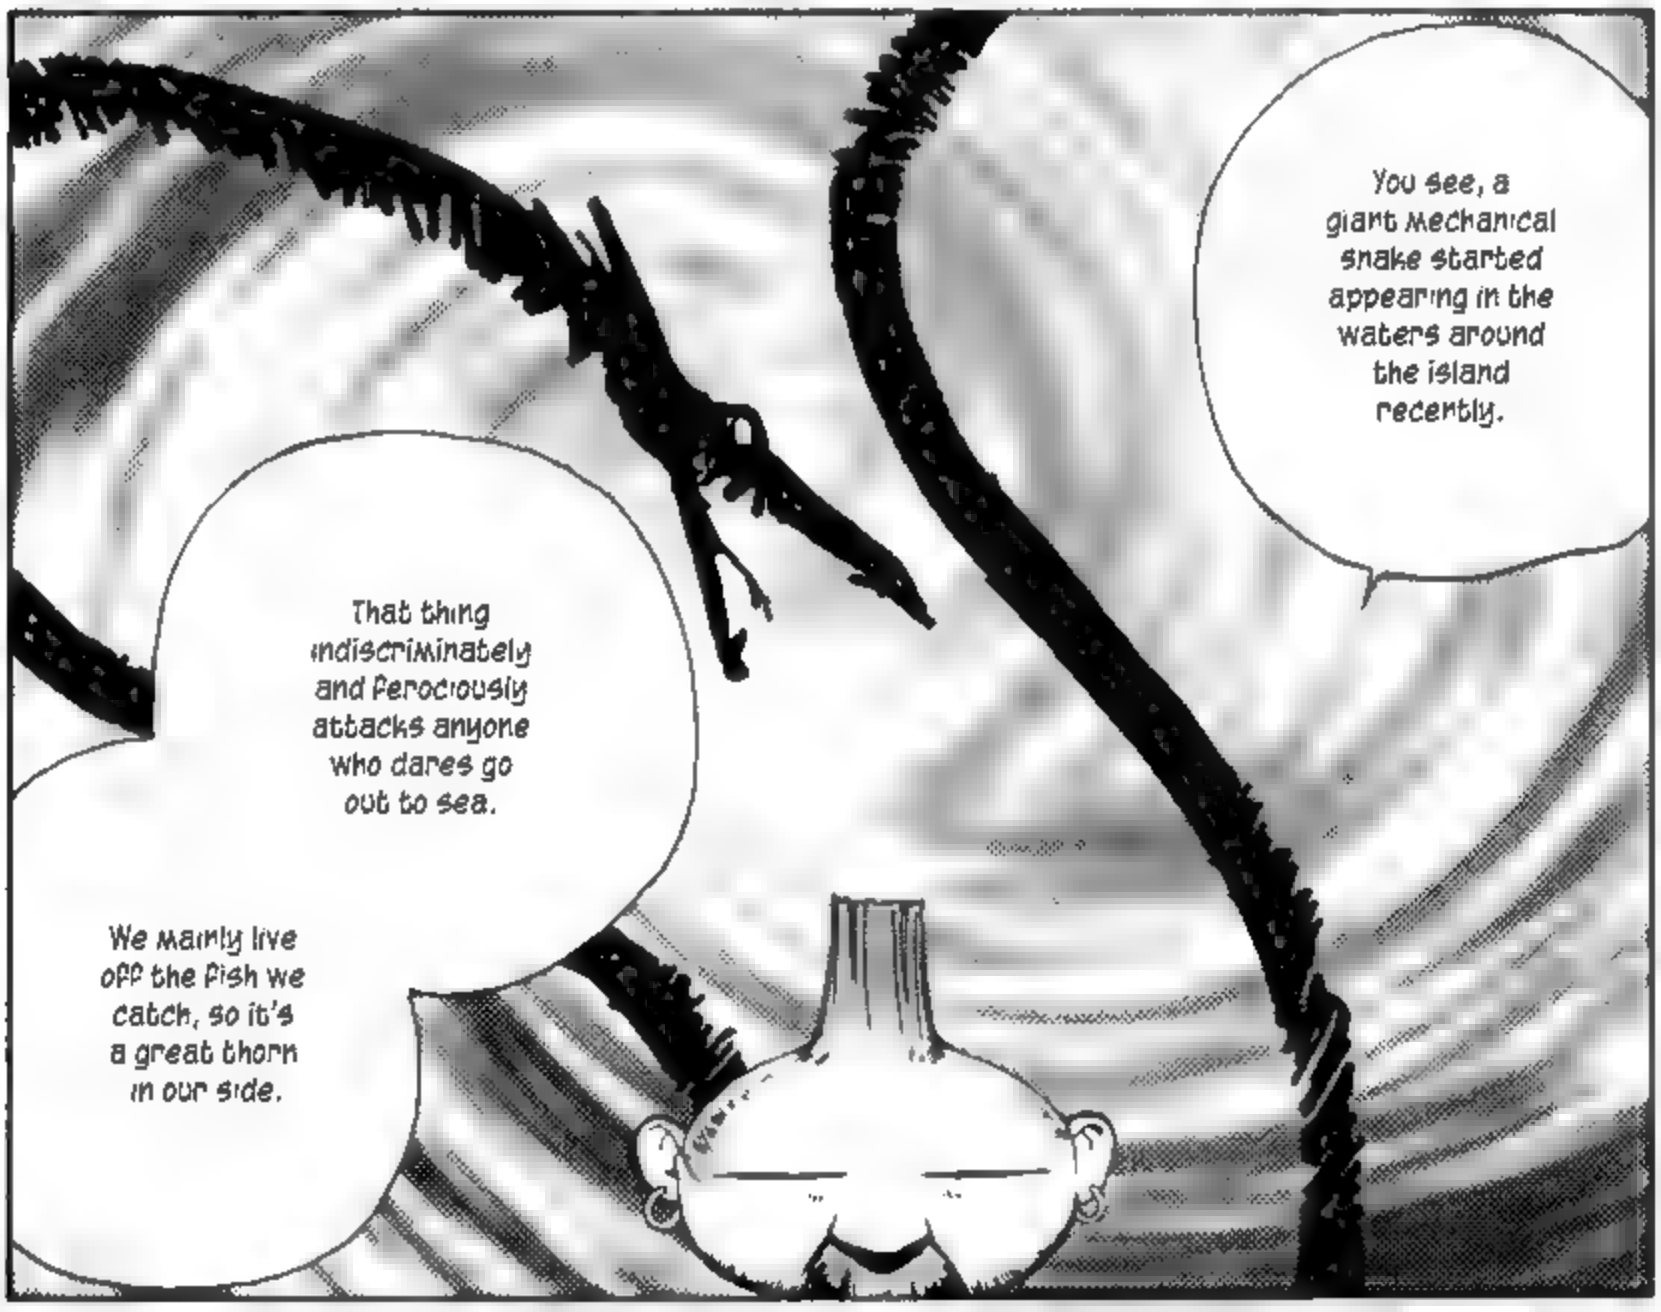
My, my! I'm glad to hear it! Please, have some more!

I'll also be more sensible.

Yo~sh, under-stood!!

By the way, on your travels ...

It seems you haven't encountered the "serpent".



You see, a giant mechanical snake started appearing in the waters around the island recently.
That thing indiscriminately and ferociously attacks anyone who dares go out to sea.
We mainly live off the fish we catch, so it's a great thorn in our side.

VILLAGE CHIEF: "I DON'T WANT TO BE SWALLOWED UP!!"

Stop crying your heart out to these outsiders.

Got a problem with that!?

Yeah!!

Was that pointed at me!?

What ...!?

I'll defeat that thing!!

We don't need the help of these women or old men!

WHAT !? YOU !!!

I took down mechanical fish twice as big.
So what!?
I took down a huge mechanical fish that was at least thi-is big!!
Don't look down on me!!
You talk big for a woman!!
Liar!

There it is...!

That Tuero Guy is sooo irritating!!

How long are you going to be talking about him?

Damn it..

Hill

You're still too inexperienced!

But……

It's the truth!

What did you just say, Kisurin!?

If you let yourself fall to every provocation ...

You will discover that your strength is limited.

Mind, technique, body; all three must be in harmony when you fight

Well...

It would be convenient for me if they weren't.

Oh, really!?

That's it for me, then!!

Geez

Stay out of my way, Kisurin.

A Failed Izanagi Wielder like you is not cut out to be a member of the Special Envoy Squad.

Then I can overlook your recent indiscretions.

No mistake about it, it's a genuine Izanagi .....

While it's weak because it hasn't grown very much, I received feedback from its "Izanagi Servo".

We'll examine it in detail after we return to Ryuuguu.

Right now, Let's quickly meet up with Rachel.

Doctor, about that...

My precious daughter..... please look carefully.

Clair...

THIS IS ARMAGEDDON... THE END OF THE WORLD.

THE FINAL RESULT OF ALL THE FOOLISH WARS PERPETUATED BY MEN, INCLUDING ME.

"Ryouguu"?

Yes.

Scary ...

Don't worry . .

She and you will go to "Ryouguu".

Due to the repeated net,ackings of these weapons, the automatic systems have gone on a rampage and are out of control.

A mobile sanctuary deep at the bottom of the ocean's floor

.....

It's the one thing that alleviates the sins your father and his colleagues have committed.

You'll survive, and when the time comes, please build the future again on this land.

Shall we be going, Clair?

Now then ...

What's ... this?

Ahh...

Until the promised time...

Shinki Izanagi

Its name is "Garyuu".

Let's hurry, this place will soon...

What about papa?

No, twenty years

The cleansing of the land will end.

The Great Sinking.

Deep at the bottom of the ocean's floor ...

A mobile sanctuary .....

Where am I ..?

"Ryuu-guu"!

Don't be surprised. You, too, will be able to wield such power before long!

You've awakened from cold sleep after approximately twenty years.

You, who have been entrusted with Shinki Izanagi ...

It wasn't the least bit a sanctuary ...

WELCOME TO RYUUGUU, CLAIR.

TEXT: MOBILE SANCTUARY RYUUGUU MAIN COMMANDER OTOHIME.

Shinki Izanagi are the ultimate existence that will unite with divine substance to evolve into their own being.

That woman ……

What are you doing?

You're in the presence of Oto-hime.

I don't mind… I'm merely the one who will guide you on your way to become a "Izanagi Wielder", I'm not above you…

Izanagi …

Wielder …?

Sealed within that small body is a power on the same level as even the divine.

Therefore, true power is granted only to the one selected to act as a medium from those chosen to be an isotope.

Until the promised time has come.

Is this..... the future... papa spoke of?

And absolute control through the divine power, so there is never a repeat of the tragedy that befell the surface, will be given..

!

CLAIR "KYAA!"

It can't be!!

Now then...

Will you hand over "Garyuu", Clair?

I can't believe it can link with the satellite system.

HM?

SFX KYUIIII

What?

She...

Doesn't have Garyuu.

SFX. HAA HAA HAA

Rachel?

That form .....

I must r-report!!

That person also went into Mikoto Mode through the isotope effect.

Kisurin betrayed us and is working with the surface dweller.

Garyuu was handed over to a surface dweller.

SFX HAA HAA

I was done in by an unexpected counter attack .....

..... I tried to retrieve Garyuu, but...

And.. ... the reason for your graceless state?

The future ...

What is the meaning of this? Clair.

I'll never ... hand over Garyuu ...

To any of you!

Will be built by my own hands!

Your Garyuu is necessary for our plan!

Clair, you put us through a lot of grief.

A future where people are enslaved by those with power..... I'll never allow it...

Orochi's Divine Sword.

All right, I shall offer myself to be your opponent.

Prey without peer.

It will be a good ceremony for Ryuuguu's surfacing.

Her physical strength is uncommon for a surface dweller...

And the way she fights purely by instinct .

That child, Wadatsumi, looks like she may be useful for my plan.

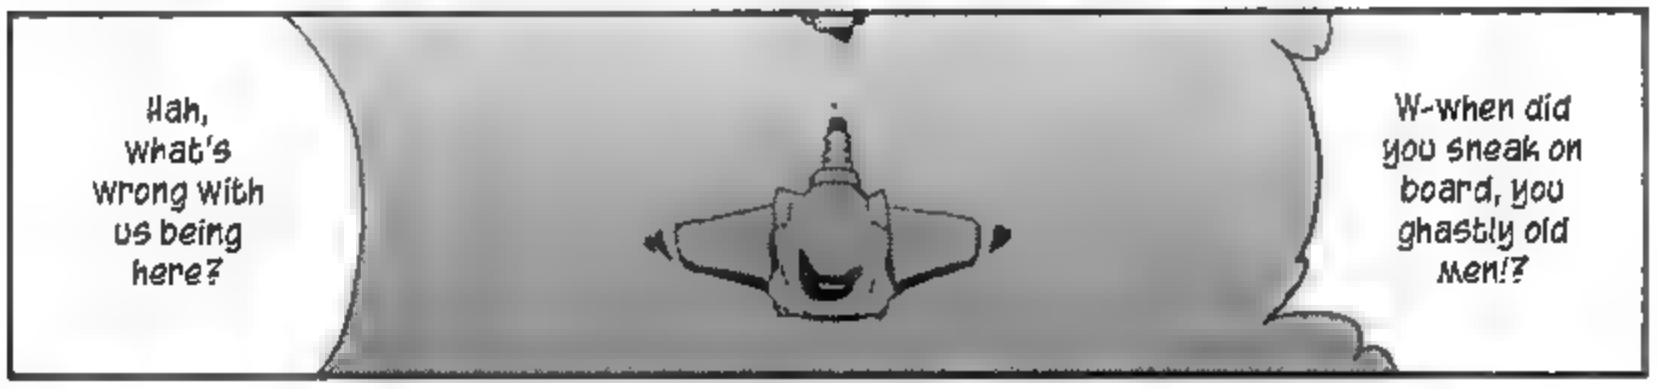
SE-CONDS !!

Uwah!
E'hy!
This is also Fate.

Th ..... The island.



Hah, what's wrong with us being here?
W-When did you sneak on board, you ghastly old men!?

When the world was still spending its days in endless battles, the army's secret arms development was being conducted on that island.
We were involved in Ryougoo's construction over there.

Hmm . .
My tale begins before the Great Sinking.

What do you mean by that?
... Fate . ....

KU KU KU !!

YUM ……!

YUMMMM !!

I'LL DEVOUR EVERY-THING.

However, that incredible power turned people into slaves of their own desires.

People waged war over the Shinki, and the project ended in failure.

Ryougou was originally a wonderful project, the centrepiece for the rebirth of humanity that strove toward the scientific evolution of mankind and the reconstruction of the Earth's environment through super science.

And then the Shinki Izanagi Unit, which synchronises with humans and manipulates each individual's life code to strengthen their vitality and extend their abilities to super-human levels, was finally completed.

And then everything sank into the ocean during the "Great Sinking"...

Now once again ...!!

We narrowly escaped with our lives and were sent to live a calm life on a desolate island with Wadatsumi . ...

WADA-TSUMI!

I MUST EXPRESS MY GRATITUDE TOWARD YOU!

I WAS CONFINED FOR A LONG TIME IN THAT DARK PLACE SMEARED WITH BLOOD! BECAUSE OF YOU, I CAN SAY FAREWELL TO THOSE DAYS!!

NOW ...

TO PUT OUT THOSE EYE-SORES .....

The four of us are prepared to offer up our lives if need be!!

Isn't there any way to save Wadatsumi?

Please tell us !!

I beg of you!

Let's go.

To
Ryuugyuu
.....

Fate has led you back to us.

Welcome back, Clair.

And Kisurin.

!

I'm aware of the situation.

You believe the "Amanonuboko" is necessary to destroy that Moebius, am I correct?

That's ...

The first Izanagi test subject ....!

It has been my duty since long ago to pass down the Amanonuboko to the strongest wielder of Izanagi.

And now fate has chosen Fräulein. She will become my successor.

Even though she might be an evil being, I have no choice but to accept my fate.

While it's regrettable, I can't allow it.

However . .

No way ...!!

.....

SFX. HAA HAA

Clair... My fate . .

Was sealed the moment I met your father... Doctor Clay.

But father said.

Otohime. . you... . ... father . .

We're on our way to another Apocalypse the way things are ....

However, the future my father entrusted us with isn't supposed to be like that.

It doesn't matter what kind of mighty and powerful advanced civilisation they have, it's not possible for people to live when they lose heart. ....

We need to have the strength of heart.

It's not possible for us to live... otherwise!

Father said the future can't be built by just handing ourselves completely over to Fate.

Wait right there

!!

Clair ...

I WON'T LET YOU HAVE THE AMANONU-BOKOOO!!

IN-SECTS !!

GEBO HAHAHA!! WHAT NONSENSE, FOOLS!!

WHO KNOWS WHAT WOULD HAPPEN TO HER?

OOPS! I DON'T CARE IF YOU ATTCK, BUUUUT .....

YOU'LL SHARE THE SAME FATE AS HER BY BECOMING MY FLESH !!!

After all ..... it's not possible to act against fate...

Open yer eyes, Wada-tsumi!!
